OCT-DEC 2014
PROGRAMMING IN PYTHON

Learn python and software development in a learning by doing fashion

Open Source project with mentoring from professionals.

Next CRAFT

Google has confirmed that there will be a GSOC in 2015, we hope that a project done with us will help students in their pursuit of getting a GSOC project. See our blog for more.

NOTE: We have flexible starting dates for individual projects, so do not worry if you have not contacted us yet.

Learn Python Programming
